

MOSSER

Montreal Symposium on Software Engineering Research

May 8th 2017

Hosted by
SERC

MOSSER (formerly [MOSART](#)) started out in 2007 to provide an inter-university symposium where software engineering researchers from all Montreal's university meet to discuss their research results, engage in collaborations and network in a friendly, informal setting -all **within our own city**.

- Research Blitz – Introduction of Montreal SE researchers
- Poster competition
- Bird of feather session

Credits:

- Celebrating the 2nd year anniversary of  – ENCS Software Engineering Research Center (SERC)
- Mandate to facilitate collaborative research within Concordia and between Concordia and other universities
 - **Acknowledgement:** ENCS faculty and Concordia University for the financial support through the center

Who is attending

McGill

25 Faculty Members

75+ Students

24 Posters

Q&A MOSSER

Q: Why did you change the name from MOSART to MOSSER ?

A: Inclusiveness – to include all aspects of SE research

Q: What is the objective of MOSSER?

A: Provide an informal setting, which facilitates communication and networking among Montreal SE researchers

Q: What is new at MOSSER this year?

A: No formal research presentations, birds and feather session, poster competition

Time	Agenda
9.00 - 9.10	Welcome
9.10 - 10.10	Research Blitz - Brief introduction of the individual research teams => 2 minutes per team
10.10 – 10.15	Coffee break / refreshments – poster setup
10.15 – 12.00	Poster competition – cast your votes !!
12.00 – 13.30	Lunch break (on your own)
13.30 – 13.45	Topic selection for the Birds of Feather (BoF)* session
13.45 – 14.45	Birds of Feather (BoF) session
14.45 – 15.00	Coffee break/refreshments
15.00 – 16.00	Panels - covering the topics from the BoF session – Announcement of the poster prizes
16.00 – 16.10	Closing remarks
